1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer on the Tega Cay Water Service system that is requesting a rate hike.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am protesting the rate hike request by our water & sewer provider known as Tega Cay Water Service. This company has been awarded rate increases and permits, as recently as 2010, over the objection of customers and concern of the Catawba Riverkeeper. TCWS has been the source of many issues with sewage overflow into the lake and surrounding properties. DHEC [or other governmental agency] had even required that they reduce the frequency and effects of these overflows. From memory, the public meetings held in 2010 showed they were supposed to achieve certain benchmarks from previous operational deficiencies that were not met.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I would like to attend, but do not desire to offer sworn testimony.
